NOTES—First Sheet.

Serial No.

~~States~~ intimates that the Burma rice allotments for April 1920 are only for Bengal, Madras & Travancore & that Mysore can get her supplies out of surplus stocks in Bombay & Calcutta.

Mr. T. C. States that as the cost of Burma rice obtained from Bombay Burma & Calcutta will be prohibitive, it is not desirable to obtain supplies from these places but as there is a good stock on hand there is no room for any anxiety for at least a month more. Accordingly

Hy 1074/20

the allotment applied for was 3000 tons of Burma rice & 500 tons of Indian rice. As restrictions for inter-provincial movements of rice in Br: India have been removed no allotment is necessary for export of Indian rice.

Bangalore, Dated.. 22nd March ..... *1920*.

23

DIARY NO. 16436

FROM

K. MATTHAN ESQ., B.A.,
Food Controller and Director of Civil Supplies in Mysore.

TO

C.S. Balasundaram Iyer, Esq., B.A.,
Chief Secretary to the Govt. of Mysore.

Sir,

I have the honor to forward herewith a resolution passed by the Central Food Supplies Committee held on 16-3-1920 in regard to the allotments to be asked for, for April 1920. The Committee considered that it would be advisable to get as large stocks into the State as possible and with this end in view resolved with respect to Burma rice that an allotment of 3000 tons may be asked for to be imported by Government and 1000 tons asked for in addition if merchants should be willing to come forward to take up the rice. I made enquiries of the local merchants but owing to the tightness of the money market just now and the uncertainty of the selling price of the local rice at the time this Burma rice would be coming in, no firm offers were obtained. I therefore telegraphed to the Deputy Food Stuffs Commissioner on the 18th instant asking for an allotment of 3000 tons of Burma rice, 500 tons of Indian rice from Bengal, Central Provinces or Bihar & Orissa, and 400 tons of Bengal gram from the Punjab. I solicit the approval of

of Government to the action taken by me.

2. In the same resolution the Central Committee has recommended that out of the quantity to be purchased by Government 100 tons may be of superior quality, such as Mill Sugandhi. As the import of Burma rice through Government Agency is intended mainly for the poorer classes, the imports arranged by me till now have been mostly Big Mills specials (the cheapest quality of good rice). There have been no requests from any quarters for a superior quality but the Committee suggested the import of 100 tons of superior variety more as an experiment. The present price of Mill Sugandhi rice would be about Rs 22/- to Rs 22/8- per bag of 90 seers or about Rs 25/- a pallas I request orders of Government as to whether the 100 tons of this quality may be purchased.

I have the honor to be,

Sir,

Your most obedient servant,

Food Controller and Director

K.G.P.

Resolution passed by the Central Food Supplies Committee in the meeting held on 16-3-1920 in the office of the Food Controller and Director of Civil Supplies in Mysore.

Subject No. 3.

Allotments sanctioned by the Deputy Food Stuffs Commissioner for March 1920 and those to be asked for for April 1920.

Resolution:-

3000 tons of Burma rice may be indented for, out of which 100 tons may be of a superior variety. An additional allotment of 1000 tons may also be indented for, provided that merchants come forward to buy that quantity under control. 400 tons of Bengal gram and 500 tons of rice from Bengal, Bihar and Orissa and Central Provinces may also be indented for.
